## 03 REMOVAL TIMELINE — BUYER PROPOSED · MAX 80 DAYS

Propose the removal period you need, in days, from the date of written acceptance of your offer. **Maximum allowable removal period is 80 days.** Example: a proposal of "45 days" means the buyer completes all removal from the facility within 45 days of acceptance.

**NOTICE** A faster removal timeline may be favored over a higher bid. The lender requires the facility cleared promptly, so offers are weighed on a combination of price and speed of removal. A lower bid with a shorter timeline may be selected over a higher bid with a longer one — propose the shortest window you can realistically meet.

**REMOVAL PERIOD REQUESTED**  **DAYS FROM WRITTEN ACCEPTANCE · MAX 80**
